Dissemination

Dissemination within each country is critical to the overall success of the Academy Seminars and more importantly, to the success in implementing the European Statements on Hospital Pharmacy. The EAHP office will be in contact with the seminar delegates to request dissemination activities.

EAHP will strictly enforce this policy and should participants not meet the requirements, EAHP will not pay for the hotel accommodations and meals related to the seminar and participants will be responsible for payment upon departure from the hotel.
