

EAHP offers a package for students to be able to take part in its **28th Annual Congress taking place in Bordeaux, France from 20 to 22 March 2024**. The congress brings together approximately 4.000 hospital pharmacists, healthcare influencers and other interest groups and boasts a high-level professional programme including a session specially targeted at students.

The topic for this congress is "**Sustainable healthcare - Opportunities & strategies**". You will be able to attend all the session, and the special session aiming towards you, students and young professionals. **Registrations are open** ^[1]

There is a **special session dedicated to Students and Young Professionals** which will offer participants the opportunity to learn from the career journeys of three Hospital Pharmacists who will describe their respective experiences and take time to answer questions Student and Young Professionals may have.

This is an opportunity to get worthwhile information, advice and guidance to a future and exciting career in Hospital Pharmacy.

The Young Professional Session is scheduled for Wednesday, 20 March 2024 from 11.30 to 13.00, in Room 5A.

More information and the list of Speakers will shortly be announced.

Join the Young Professional session and be inspired!!!

Registration Information:

STUDENT RATE:

Only for undergraduate students of pharmacy or pharmaceutical sciences under 35 years old. As proof of this, the participant must provide an official document signed and stamped by his/her university certifying that he/she is a full-time undergraduate student studying to complete a bachelor/master degree to become a pharmacist or a bachelor/master of pharmacy/pharmaceutical sciences. The letter shall also include the month/year that the participant started your courses.

We require these documents be sent within 2 working days of the Registration being done.

Alternatively, while the registered Student is waiting for said documents to be provided by their University, they are requested to send a photo of their current Student Card (Recto-Verso)

The application for a student fee is not valid until approved by the EAHP Secretariat. Before registering for the student fee, please check the requirements [HERE](#) [2].

Hospital residents are not entitled to the student rate and shall register under the Hospital Pharmacy Specialization Resident Student rate.

You have to be a student at the time of the Congress.

Registrations are open [1]

RATE FOR YOUNG PROFESSIONALS:

The young professional rate applies to a person who finished within the past 2 years* his/her master of pharmacy/pharmaceutical sciences education. As proof of this, the participant must provide a copy of his/her diploma signed and stamped by his/her university and indicating the month/year of graduation. The application for the young professional fee is not valid until approved by the EAHP Secretariat.

*within the past 2 years prior to the 28th EAHP Congress taking place. No later than 22 March 2022.

Registrations are open [3]

RATE FOR HOSPITAL PHARMACY SPECIALIZATION RESIDENT STUDENTS:

The hospital pharmacy resident students' rate applies to a person who started his or her residency within the past two years and a person who is younger than 35 years. As proof of this, the participant must provide a copy of his/her certificate indicating the month/year of starting the hospital pharmacy residency programme. The application for the hospital pharmacy specialization resident students' fee is not valid until approved by the EAHP Secretariat.

Registrations are open [1]
