

Help us plan for our next congress and fill in the "Needs Assessment Survey"^[1]!

EAHP Needs assessment survey 2017

To assist us with planning for future congresses, please select the topics which would most benefit your learning needs. You may select as many topics as you wish.

The survey sections below are based on the European Statements of Hospital Pharmacy. Select your first section of interest: you will be directed to specific topics within the selected section. You will have the opportunity to select more sections after completion of the first set of topics.

1. Please select the section you would like to consult:

- ☐ Section 1: Introductory Statements and Governance
- ☐ Section 2: Selection, Procurement and Distribution
