

Statement Implementation Learning Collaborative Centres (SILCC)

What is the SILCC Programme?

EAHP has launched the Statement Implementation Learning Collaborative programme (SILCC) as part of its Statement Implementation project [1]. The SILCC programme will allow hospital pharmacists (SILCC Fellows) to visit hospitals (SILCC hosts) from other EAHP member countries to learn about pharmacy procedures linked to the European Statements of Hospital Pharmacy. The programme has been developed in team with the help of the EAHP national implementation

ambassadors [3].

What is a SILCC Host and how can they join the SILCC programme?

SILCC hosts are hospitals from EAHP member countries willing to provide training in pharmacy procedures related to the European Statements of Hospital Pharmacy. All hospitals willing to apply to become a SILCC Hosts need to assess their pharmacy using the EAHP Self-assessment tool [4].
