Dear Catherine,

many thanks for the kind hint. The basic regulation regarding Austrian pharmacies may be accessed at:

Apothekengesetz [law on pharmacies]

<http://www.ris.bka.gv.at/GeltendeFassung.wxe?Abfrage=Bundesnormen&Gesetzesnummer=10010169>

Apothekenbetriebsordnung 2005 [regulation on how to run pharmacies]

<http://www.ris2.bka.gv.at/GeltendeFassung.wxe?QueryID=Bundesnormen&Gesetzesnummer=20003947>

There are at least ten more relevant pieces of law. Meaningful interpretation of the texts without an interpreter experienced in Austrian pharmaceutical regulation may be a bit difficult.

Best greetings

Thomas
