

Friday, 13 November 2020

This virtual conference focuses on demonstrating and improving prescribing competence and practice and use of the National Competency Framework for all Prescribers, and will also update delegates on the December 2019 Competency Framework for Designated Prescribing Practitioners. The conference will enable you to network with colleagues who are working to improve prescribing competence and practice, self-assess and reflect on your own practice and gain CPD accreditation points contributing to professional development and revalidation evidence.
