

This website provides hospital pharmacists with information on open consultations that are being conducted by EAHP, the European Medicines Agency, the European Commission and any other entities or individuals.

EAHP

No open consultation at the moment.

European Commission

Due date	Name of consultation	Scope of consultation
19/02/2024	<u>Health Emergency Preparedness and Response Authority (HERA) - Review</u> ^[1]	The Health Emergency Preparedness and Response Authority (HERA) was set up by the Commission in 2021 to respond to the COVID-19 pandemic. The Commission has opened a public consultation to gather views from various stakeholders on HERA's performance.

European Medicines Agency (EMA)

Due date	Name of consultation	Scope of consultation
09/02/2024	<u>Guideline on specific adverse reaction follow-up questionnaires (Specific AR FUQ)</u> ^[2]	This draft guideline on Specific Adverse Reaction Follow-up questionnaires (Specific AR FUQ) gives detailed guidance on how and when to use Specific AR FUQ in risk management as part of routine pharmacovigilance activities.
31/03/2024	<u>Concept paper on the establishment of a Guideline on the development and manufacture of human medicinal products specifically designed for phage therapy</u> ^[3]	This concept paper proposes to establish a scientific guideline for the pharmaceutical development and manufacture of bacteriophage medicinal products intended for the treatment or prophylaxis of one or more specific bacterial infection(s) or infectious disease(s) in humans.

EDQM

No open consultation at the moment.

Others

No open consultation at the moment.
