# EAHP-ESCP Oath to Society

Almost 1,5 years ago the Oath to Society [1] was adopted and shared with the public. To take stock and to obtain insights from other stakeholders on how clinical and hospital pharmacists can continue to deliver on the promises included in the Oath to Society, the European Association of Hospital Pharmacists (EAHP) and the European Society of Clinical Pharmacy (ESCP) are organising an event hosted by MEP István Ujhelyi.

## Join us on 8 March from 13.30 to 15.30 in the European Parliament (ASP 3H1)

The Oath to Society is the promise that the members of EAHP and ESCP make to the patients and public they serve, the healthcare professionals they interact with and the health systems they work in. The panel discussion will provide an opportunity to reflect on the Oath to Society, the wider contributions of clinical and hospital pharmacists and the viewpoints of key stakeholders.
