HOSPITAL PHARMACISTS CHANGING ROLES  
FOR BETTER PATIENT OUTCOMES

Hospital pharmacists are the key stakeholders responsible for

medication management and safety in the hospital environment, covering both in- and out-patient services and supporting the seamless transition of care for patients moving within the healthcare system.

For that reason EAHP has published the 2024 European Parliament Elections Manifesto including 5 topics that should be address during the next cycle:

1. Addressing Medicines and Medical Devices Shortages
2. Tackling Antimicrobial Resistance
3. Investing in the Healthcare Workforce
4. Improving Medication Safety
5. Having Health Hight on the Public Agenda
