

The General Assembly of EAHP provides an opportunity for our Members to exchange views, share best practice and set the future direction of the Association. It is attended by two representatives from each of EAHP's Member countries, Board of Directors, and secretariat.

This year the General Assembly will meet in Krakow, Poland, from 9 to 10 June 2023.

The programme (including social events) and agenda will be available on the **intranet** <sup>[1]</sup> part of this website. Only GA delegates may access this part of the website as information is password protected. For further information or to request a login and password, please contact **registration[at]eahp[dot]eu** <sup>[2]</sup> .
