

Is your organisation interested in hosting a satellite symposium?

Industry sponsored symposiums will run once.

As many of our sponsors requested closer interaction with the delegates, as of 2016 we are offering additional, smaller rooms which can be used for interactive sessions/workshops. These sessions will run twice instead of once.

Contact Jennie De Greef ([Jennie.DeGreef\[at\]eahp\[dot\]eu](mailto:Jennie.DeGreef@eahp.eu) <sup>[1]</sup>) for more information!
