

19th March 2014

With just 7 days remaining until the 19th Congress of the EAHP in Barcelona, don't forget to review the 7 key features of the Congress programme in advance, including:

1. 3 keynote speeches on the topics of: **the scientific and societal drivers of innovation** ^[1]; **the hospital pharmacist in 2020** ^[2], and **knowledge management in times of information overload** ^[3]
2. 14 topical seminars on subjects such as **drug shortages** ^[4], **clinical trials** ^[5], **pharmacy career development** ^[6] and **hospital pharmacy into primary care** ^[7]
3. The Synergy Satellite on "**Anti-coagulants - a matter of heart**" ^[8]
4. The first ever '**Good Practice Initiatives**' ^[9] session
5. The ever popular Poster Walk
6. Workshops on a range of matters such as **orphan drug developments** ^[10], **therapeutic education of patients** ^[11], and **pharmacoeconomics** ^[12]
7. The exhibition area

Full information about the entire scientific programme of the Congress is available **here** ^[13].

There's still time to register online **here** ^[14].

Registration can also take place on site.

19 March 2014
