EAHP’s current policy and advocacy priorities are:

Implementing the 44 European Statements of Hospital Pharmacy [1]. The European Statements of Hospital Pharmacy, adopted in 2014, express commonly agreed objectives which every European health system should aim for in the delivery of hospital pharmacy services.

Creating a Common Training Framework for hospital pharmacy in Europe [2]. The educational tool for hospital pharmacy improvement.
Leveraging the role of the hospital pharmacist in combatting antimicrobial resistance[3].

Securing EU level action on the pan European health threat of medicines shortages [4].
