

EAHP is inviting its **Member Associations** ^[1] and individual hospital pharmacists and institutions, including Universities, to participate in potential submissions to the European Union (EU) for financial support for cross-border hospital pharmacy projects, particularly in the areas of **medicines reconciliation**, **antimicrobial stewardship** and paediatric interventions such as **Therapeutic Drug Monitoring**.

We invite initial expressions of interest in participation, as well as additional suggestions on proposals, to be made to [nenad.hedren\[at\]gmail\[dot\]com](mailto:nenad.hedren@gmail.com) ^[2].

Thereafter conference call and other virtual collaboration will take place up to the deadline for submissions in early Autumn.

Horizon 2020 ^[3]: *Establishing effectiveness of health care interventions in the paediatric population*

EAHP is considering a bid for support for projects that help increase the effectiveness of health care interventions through **Therapeutic Drug Monitoring** (TDM) for high risk

medications in the paediatric population. The deadline for proposals to be submitted is 14th October 2014.
