

Following the successful launch at the 2014 EAHP Congress, Good Practice Initiatives have been included as the newest part of the educational programme of the EAHP annual congress!

The overall purpose of collecting and sharing GPIs is:

- to inspire and encourage fellow hospital pharmacists in other countries to strive for the next high standard in practice;
- to identify how colleague hospital pharmacists were able to overcome barriers and obstacles in order to make improvement happen; and,
- to give recognition to those who have completed successful new initiatives in hospital pharmacy service.

GPI SUBMISSION ONLINE IS OPEN! - More information [HERE](#) ^[1].

IMPORTANT NOTE: To avoid rejection of your GPI during the selection process, please review the [submission guidelines](#) ^[2] and [poster guidelines](#) ^[3] before submitting your GPI. Additionally, please submit your GPI using an email address that will not be blocked by spam servers. For this reason, we recommend that you use your personal email address, versus the email address from your organisation.
