

An EAHP Congress never really leaves you – the learning and ideas transmitted remain with attendees as they take forward their daily practice across Europe and the world.

To help provide attendees with a summary recap of some of the sessions presented we present the final post-Congress Daily Dose edition for your reading pleasure!

launch the **EAHP Daily Dose!**

Dr Roberto Frontini reflects on 6 years as EAHP President and looks to the future

Reflecting on his 6 years as President of the EAHP, Dr Roberto Frontini shares his thoughts on the challenges and achievements of his tenure. He discusses the importance of collaboration and communication in the field of hospital pharmacy, and looks forward to the future of the association.
