## **CRITERIA FOR GPIs**

To be considered for GPI submission, the improvements in hospital pharmacy services **must** respect the following **eligibility criteria**:

1.

Have been conducted within the past 5 years.

- 2. Add value, offer improvement on common forms of European hospital pharmacy practice, solve a problem or be an innovative solution to an existing issue.
- 3. Communicate what was done, how it was done, why it was done, and what has been achieved.
- 4. Be transferable to other countries and settings.
- 5. Include supporting references (links).
- 6. Include contact details of author to allow interested parties to request more information.
