

How do I register?

Registration is open [HERE](#) ^[1] since the 1st of August 2021 and you are able to choose either Individual or Group registration. There is a special rate for students who are willing to attend the 26th Anniversary EAHP Congress - Hospital pharmacists ? changing roles in a changing world.

What about Young Professionals?

If you have graduated within the last two years, you are eligible for the EAHP Young Professionals registration fee. Click [HERE](#) ^[2] for more information.

IMPORTANT NOTICES:

* Note that the student rate applies to a person less than 35 years old who is a full time undergraduate student of pharmacy or pharmaceutical sciences. As a proof of this you must provide an official document, signed and stamped by your university, certifying that you are a full time undergraduate student studying to complete a bachelor/master degree to become a pharmacist or a bachelor/master of pharmacy/pharmaceutical sciences. The letters should also include the month/year that you started your courses. Your application for a student fee is not valid until approved by the EAHP Secretariat.

Last update: 4 August 2021
