

Thursday, 12 October 2017 to Saturday, 14 October 2017

The seventh annual masterclass on paediatric pharmaceutical care is run by the Paediatric Pharmacy Team at Evelina London Children's Hospital, which is part of Guy's and St Thomas' NHS Foundation Trust.

The masterclass is part of a Kings Health Partners (KHP) initiative and is run in collaboration with the International Alliance for Better Medicines for Children and Global Research in Paediatrics.

The three day masterclass has been specially designed to provide an update on the latest developments in paediatric pharmacy and aims to discuss best practice methods in the safe use of medicines in children.

More information on this Masterclass can be found at:
