7th FIP Pharmaceutical Sciences World Congress(PSWC2020), 22 - 27 May 2020
Montreal, Canada More information here: <https://pswc2020.congress.pharmacy> ^[1]

We live in exciting times. More than ever, innovation is emerging at the interface of disciplines, holding the promise of smart therapeutics, medicines that are sophisticated in their design and optimised to meet the needs of individuals and communities in a complex world.

FIP has united with the Canadian Society for Pharmaceutical Sciences (CSPS) and the University of Montreal to invite you to the 7th FIP Pharmaceutical Sciences World Congress (PSWC2020), taking place from 22 until 27 May 2020 in beautiful Montreal, Canada!

It is your chance to network with leading experts from across the world, compare best practices and learn about the latest trends in pharmaceutical sciences, including the potential of information-based technologies, challenges and opportunities in global health and new collaborative models for stimulating innovation. The programme will focus on smart therapeutics, with four tracks covering drug discovery and drug development. Get the latest information [here](https://pswc2020.congress.pharmacy/) ^[2]: <https://pswc2020.congress.pharmacy/> ^[2].

Come to Montreal for PSWC 2020 and share the vision of smart therapeutics!
